Disciplines of Kosovan TEMPUS

Vision for the HE development

- MEST

- KOSOVO– democratic society integrated in the European Higher Education Area, where knowledge and scientific research are contributing to a sustainable social, cultural and economic development.
- Tempus : contribution to an area of cooperation in HE involving EU and partner countries, assistance in reforming HE systems in line with principles of Bologna process, strengthening the role of HE institutions for the successful transition to a knowledge-based economy and society.
