- 1. Please give a brief summary of the project and its results: Was the initial plan accomplished referring to the main aims, activities and results of the project as stated in the initial application?**

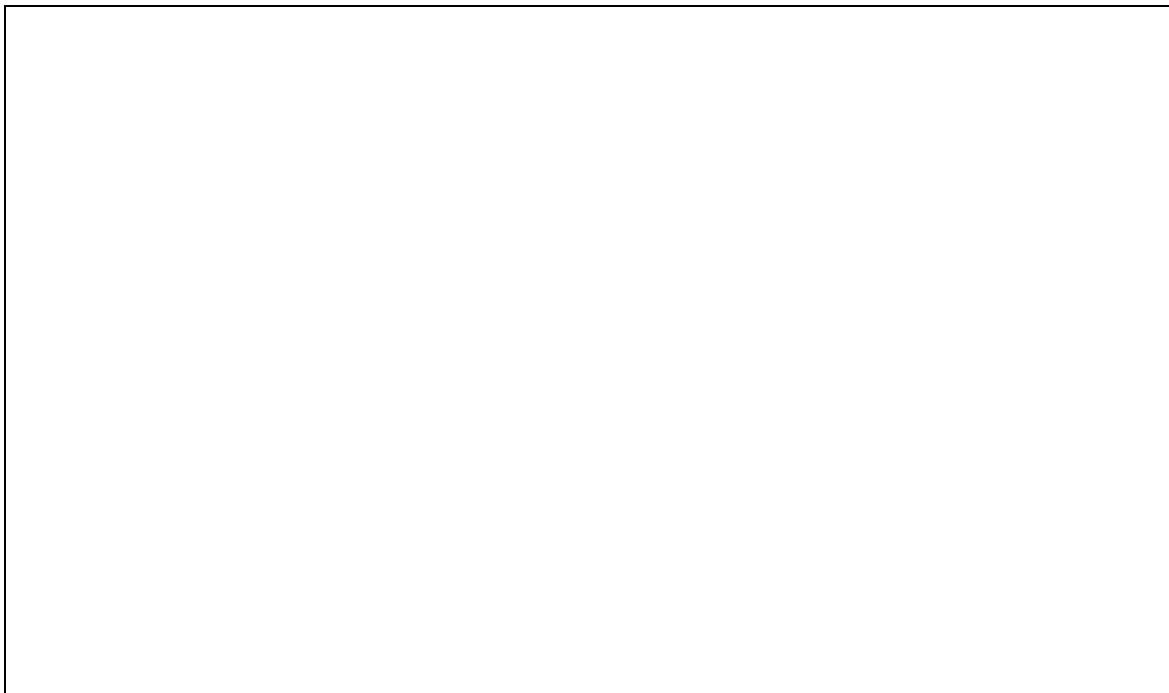

- 2. Provide also a brief description of the outcomes, nature and quality of the project output: How many students were involved and in what way? What is the contribution of project to the relevance and quality of your home faculty's programmes?**

- 3. Please provide details on co-financing ensured by your faculty/university, if any?**

- 4. Please provide information about the cooperation and support of the host faculty: Has the basis for future institutional cooperation between the faculties/universities been established? Are there any plans for future joint projects, exchange of teachers, researchers and students? Were ECTS mutually recognized, and if so, how many?**

- 5. Please state if there were any (major) deviations from the initially planned activities as proposed in the application form? Is the project finished? Did you encounter any difficulties while implementing the project activities and if so, which steering measures and/or adjustments did you have to make accordingly?**

**6. Are there any follow-up activities planned (personal or institutional)? Please describe.**

**7. Having in mind the experience of this project, do you have any recommendations/suggestions for future similar projects of WUS Austria?**

**8. Please add any other information/comment that you may find relevant for this report.**

**Thank you!**
