

Austrian Integration Fund Internship Program

What?

The Austrian Integration Fund offers 3 research internships in Vienna. From October 2008 until October 2009 3 students/researchers from Kosovo will have the opportunity to participate in the internship program of the Austrian Integration Fund. The internship will allow for independent research in Vienna for a period of 10 weeks. Research has to focus on issues of migration and migrant integration and should be concluded with a research paper on the chosen topic.

Where?

The internship is based in Vienna, at the main office of the Austrian Integration Fund. Office space, accommodation and a monthly allowance are provided.

Who?

The applicant must be either a student or a young researcher at a registered university in Kosovo and have a record on research in the field of migration and/or migrant integration.

Applicants must not be older than 30 years.

Excellent knowledge of either English or German is required (C1 level).

How?

Applicants are required to submit:

- application form (www.wus-austria/prishtina)
- Motivation letter (1 page, English/German)
- Research Proposal (2 – 5 pages, English/German)

The research proposal has to clearly outline the planned research during the period in Vienna and describe goals, methods and sources

- *In case you are student:* Confirmation of studies **and** a copy of your index (first page and last enrolled semester)
- *In case you are a young professional:* Copy of your diploma **and** confirmation of employment
