

WUS Austria Podgorica office celebrates 10th year Anniversary!

The ceremony will be an opportunity to present the work of WUS Austria over the last ten years in Montenegro, give an overview of present projects, partners, stakeholders and challenges ahead. In addition, contracts signing for the “*Labour Market Oriented Curriculum Programme*” (LMOCP) will mark a symbolic start of the programme under which four new or modified curricula including five courses (20 in total) will be introduced at different faculties of the University of Montenegro. Selected professors will develop labour market oriented curricula in cooperation with specific corporate partners, national and international companies that operate in Montenegro, and Austrian/EU Higher Education institutions. LMOCP is financed by the Austrian Development Cooperation, and will be implemented by the World University Service (WUS) Austria, over the next two years.

The ceremony will take place in the Rectorate Hall, 2nd floor of the Rectorate building on Friday, **30th January 2009 at 10.00 a.m.**
