

FINAL REPORT FORM FOR THE GUEST LECTURER

Please fill in this form carefully on a computer.
Use extra sheet of paper, if space is not sufficient!

I Basic Data

Name and surname	Hosting university, faculty, department
Subject(s) of the course(s)	BGP+ type
Date and duration (for BGP+ Classic)/ semester (for extended stay)	Total number of teaching hours (for BGP+ classic)/ Weekly workload and number of courses (for extended stay)
Number of students (for extended stay per course)	

II Lecturing (both for BGP+ Classic and BGP+ with extended period of stay). *Please give a brief description of what has been done. Was the initial plan accomplished? Include the information about cooperation and support of the host faculty; evaluation of the students' level and commitment. Add any other information that you might find relevant for this report.*

In case of extended period of stay, please fill in the following:

III Mentoring. *How many requests for mentoring have you received, and which topics? Are the theses finished, and if not – how are you going to help the students to finish them (are there any follow-up activities planned)?*

IV Research. *State concrete activities that were taken with outcomes. Is the project finished; did you have good cooperation with the host faculty and partners on the project? Are there any follow-up activities planned (personal or institutional)? Please describe. Add any other information that you might find relevant for this report.*
