

One Month Study Visit - Questions and Answers

Q: How long will the scholarship program be available?

A: The scholarship program will be available until further notice on our website.

Q: How often can I apply for a scholarship grant?

A: It is possible to apply once a year.

Q: Is it also possible to apply during the free period (e.g. in July or in August)?

A: Yes, this is possible, if there is an agreement with the advisor.

Q: Is there a specific deadline to hand in applications for the scholarship program?

A: Yes, you must hand in your application at least 2 months before the foreseen start of your study visit.

Q: Is it possible to extend the scholarship for a further month?

A: No, unfortunately it is not possible to extend the scholarship.

Q: Is it possible to visit institutions other than public universities such as Universities of Applied Science or private universities?

A: Unfortunately, study visits to institutions beside public universities are not foreseen in the frame of the study program.

Q: To which degree will travel costs be refunded?

A: The maximum amount will be calculated by OeAD, depending on the applicants' country of origin.

Note: It is important to keep all tickets, bills and voucher in order that the OeAD can refund all your costs.

Q: Will the journey and accommodation be organized for me?

A: The applicant must organize the journey by him- or herself. If necessary, the organization of appropriate accommodation possibilities is done with the support of OeAD.

Q: How long will be the processing time of my request?

A: Generally, the time for the grant acceptance will take approximately one month.
